Mission Statement

The Home Mission Convention is called to spread the life-changing gospel of Jesus Christ to the world through preaching and teaching the rightly divided Word of God. Sow a seed of hope through physical outreach and provide financial assistance through charitable donations to our local, regional, and global communities. We take Seriously the great commission which Christ commanded to take the gospel to the entire world.

Spiritual

The Home Mission Convention is born of a desire to spread God's word to the multitudes. It's purpose is to preach and teach the gospel of Jesus Christ in an effort to minister to the soul of God's people.

Physical Outreach

The goal is to physically help. It will render services such as face to face prayer.

Financial Assistance

In an effort to provide food and/or shelter, it will collect donations and sponsor fundraisers to provide financial aide to those in need.
